

Sargent County Fair Association

PO Box 303
Forman, ND 58032

Greetings,

Spring is upon us, and planning is underway for one of the summer's biggest events... the Sargent County Fair and 4-H Achievement Days! The dates for this year's fair are July 25th through July 28th. This year will mark the 101st year of this annual event and exciting things are scheduled! But like all events, this requires funds to make it happen.

If you would consider donating to this year's fair, please complete the bottom of this letter and return with your donation to PO Box 303, Forman, ND 58032. We are hoping to have the sponsorships received ASAP in hopes of announcing all sponsors prior to the fair.

We would also like to extend a THANK YOU for any donation you have given previously to the fair as well as your consideration for your donation this year. We could not continue to bring in bigger events such as the rodeo, demolition derby, and bands if we did not receive community support.

Sponsors donating a minimum of \$100 are able to provide banners to be displayed at the fair. It is the responsibility of the sponsor to deliver the banner and pick up the banner at the conclusion of the fair.

The dates for the Sargent County Fair are July 25 – 28, 2024
