Greetings Sargent County Fair Partners,

Fair planning is well underway, and the Sargent County Fair Board is very excited to announce that the 103rd Sargent County Fair and 4-H Achievement Days will be on **July 23, 2026- July 26, 2026!** This long-standing tradition brings together families, neighbors, local businesses, and 4-H traditions from across our community and county.

To help make this year's fair a success, we are seeking financial donations and sponsorships from local businesses. Contributions help offset the costs of entertainment, equipment, and overall fair operations. We strive to make sure the Sargent County Fair brings the most entertaining and successful events possible.

To those who have donated previously, **THANK YOU!** Without you, we wouldn't have been able to continue to deliver the best we can.

This year, we have a great line up of entertainment for our community! Along with the 4-H events, we have the following entertainment:
